**NARRATIVE:**

Manuel Muros is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include battery, domestic violence after a battery, attempt of commercial burglary, contempt of court, resisting a peace officer, multiple vandalisms, a knife weapons violation, possession of controlled substances, under the influence of PCP, trespassing, counterfeiting, possession drug paraphernalia and false reporting of a crime. He has served multiple state prison terms, the longest being a 2 year term for domestic violence after a battery. Muros was released from state prison to the supervision of the Los Angeles County Probation Department on March 15, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2016 after he absconded from post release community supervision (PRCS). Muros qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for a knife weapons violation is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
